The average balance of seven million IRAs custodied at Fidelity Investments reached a five-year high of \$81,100 at the end of tax year 2012, according to the Boston-based fund giant. The figure was 53% higher than the five-year low, registered in 2008

Total contributions to Fidelity IRAs have increased 7.5% from tax year 2008 to 2012, with the average IRA contribution reaching \$3,920 in tax year 2012. Roth IRA conversion activity also jumped at the end of 2012 as tax law changes were debated, contributing to a 12% year-over-year increase.

The findings from Fidelity, the largest IRA custodian, highlight positive balance trends across all age groups despite even contribution levels (at right):

Total contributions to IRAs have increased every year since 2008, with a 3.1% increase over last year and a 7.5% increase over 2008. At the same time, the average contribution held strong at \$3,920 for tax year 2012 (vs. \$3,930 for tax year 2011).

Age Range	Avg. IRA Balance, End of 2012 Tax Year	Avg. IRA Balance, End of 2008 Tax Year	Pct. Increase
20-29	\$9,300	\$5,800	60%
30-39	\$20,700	\$10,100	105%
40-49	\$42,500	\$22,400	90%
50-59	\$75,700	\$41,900	81%
60-69	\$127,800	\$75,000	70%
70+	\$164,300	\$110,500	49%
<b>All Ages</b>	<b>\$81,100</b>	<b>\$52,900</b>	<b>53%</b>

As tax law changes were debated, Roth IRA conversions conducted by investors increased in 2012. In fact, there was a 12% year-over-year increase in Roth IRA conversions, and a 52% year-over-year surge for the month of December. Overall, Fidelity conducted more than 101,000 Roth IRA conversions with investors in 2012.
