

Genworth wealth management unit releases practice management book

By Editor Test *Tue, Feb 19, 2013*

Written by Matt Matrisian, Genworth Wealth Management's director of Practice Management, the book "provides independent financial advisors with 'how-tos' for improving their businesses," according to a Genworth release.

Genworth Financial Wealth Management, Inc., a subsidiary of Genworth Financial, Inc., has published a new book, *The Power of Practice Management* (Bloomberg Press/John Wiley & Sons, Inc. 2013).

Written by Matt Matrisian, Genworth Wealth Management's director of Practice Management, the book "provides independent financial advisors with 'how-tos' for improving their businesses," according to a Genworth release. Matrisian based the book on his experience at Genworth, AssetMark Investment Services, Inc. and Quantuvis Consulting.

The Power of Practice Management is available for purchase through Amazon.com and at national booksellers.
