

Reminder: Solve our retirement income case

By Editorial Staff *Thu, Jun 22, 2017*

Last week we presented the case of a couple, ages 64 and 63, with over \$1 million in investable assets but no clue as to how to generate retirement income from it. (See 'This Couple Needs Your Advice' on the current RIJ homepage.) Please send your recommendations--even sketchy, general recommendations--to us by email on or before July 1.
