
Strategic Insight buys BrightScope

By Editorial Staff Thu, Nov 3, 2016

The acquisition of BrightScope, founded in 2008 by Ryan and Mike Alfred, follows Strategic Insight's recent acquisition of Market Metrics and Matrix Solutions.

Strategic Insight, the data and business intelligence provider for asset managers, community, has acquired BrightScope, the aggregator and evaluator of retirement plan data that was founded by Mike and Ryan Alfred in 2008, according to a release this week.

The acquisition follows Strategic Insight's recent acquisition of Market Metrics and Matrix Solutions. "Strategic Insight is focused on being the industry's one-stop shop for data and insights, as well as providing accelerated product delivery for its clients," the firm's release said.

Strategic Insight (SI) provides proprietary data, business intelligence, research and marketing services to the global asset management community, including investment flow data, advisor sales analysis, in-depth research, analytics, editorial content and events for investment managers, asset owners and custodians, plus Transaction Cost Measurement of over 500 million trades per month.

Strategic Insight, backed by Genstar Capital, delivers its products and services through four divisions: SI Data, SI Research, SI Intelligence and SI Interactive. Its editorial properties include PLANSPONSOR, PLANADVISER, Chief Investment Officer, Global Custodian, and The Trade.
